

## COMMUNITY WISH LIST

### 4.1 Community Needs

Community needs/projects are identified each year in November during the Mayoral Izimbizo where by public meetings are held throughout the Municipality in cluster forms and communities identify these needs. The Municipality is comprised of seven clusters, and the following community needs are grouped in clusters. The list gets to inform the Draft IDP and Draft Budget (MTEF). Below is a list of these needs per cluster as identified in the Mayoral Izimbizo held in November 2013.
